## FINANCIAL ARTICLES

---

### **ARTICLE 1:           FY2025 SNOW AND ICE**

To see if the town will vote to transfer from Free Cash the sum of \$190,000 to pay for Snow and Ice bills incurred in Fiscal Year 2025, or take any action relative thereto.

*Article Information: Expenses incurred for staff and supplies related to weather events.*

MOTION: I move that the Town transfer from Free Cash the sum of \$190,000 to pay for Snow and Ice bills incurred in Fiscal Year 2025. **(Majority Vote)**

---

### **ARTICLE 2:           FY2025 CAPITAL - SPECIAL EDUCATION TRANSPORTATION**

To see if the Town will vote to transfer from Free Cash the sum of \$1,200,000 to pay for School Transportation costs or take any action relative thereto.

*Article Information: This project is detailed in the Capital Report and a separate Business Proposal on the Town website. This is a request for the approval for the purchase of 15 specialized vans for the transportation of students. The current system, using a vendor to provide transportation, has resulted in significant costs for the district that continue to rise each year. Bringing specialized transportation in-house will provide substantial savings and improve efficiency in the long term. With a private vendor, we are projected to pay \$1.9 million in FY26 and require the use of 32 individual vans for our specialized education students, each of which is used to transport students to different schools. On average, the district is paying \$192 per van, per school day. We propose the purchase of 15 vans to bring specialized transportation in-house. This will allow us to combine routes, reducing the number of vans required to transport our students. Additionally, by optimizing these routes, we anticipate significant savings both in terms of operational costs and overall transportation efficiency. By consolidating transportation and reducing the number of vans to 15, we estimate that we will save approximately \$800,000 annually to the school's budget. Considering that there will be additional benefits and insurance costs to the town's budget we expect a combined savings ranging from \$500,000 to \$600,000.*

MOTION: I move that the Town transfer from the Free Cash the sum of \$1,200,000 to pay for School Bus Transportation. **(Majority Vote)**

---

**ARTICLE 3:           FY2025 CAPITAL - TRANSFERS**

To see if the Town will vote to transfer from the FY2019 and FY2022 Capital Budgets the sum of \$510,531 as follows:

<u>Project</u>	<u>Current Funding</u>	<u>Transfer/(Reduce)</u>	<u>Final Funding</u>
Chromebooks (FY2025)	0	480,531	480,531
Police Radio (FY2022)	480,531	(480,531)	0
Trailhead Kiosks (FY2025)	0	30,000	30,000
Canal Park (FY2019)	33,454	(30,000)	3,454

; or take any other action relative thereto.

*Article Information: Both projects are outlined in the Capital report. The business proposal for the Chromebooks is on the town meeting webpage. The School Department purchased chromebooks for the elementary, middle and high school in 2000. The chromebooks will replace the ones at the middle and high schools. The funding will come from an original \$1.3m town meeting vote for Police Communications. That project is closed out and the above amount is the total remaining unused funds. The Trailhead kiosks project will be for materials, as the labor will be donated. The funding will come from the Canal Park project, of which has been discontinued due to flooding that will damage any structure, and will still have a balance of \$3,454.*

MOTION: I move that the Town transfer and/or reduce the amounts from the FY2019 and FY2022 Capital Budgets the sum of \$510,531 as set forth in the table for Article 3.

**(Majority Vote)**

## GENERAL ARTICLES & CITIZENS PETITIONS

---

### **ARTICLE 14:       ADOPT MGL CHAPTER 90 SECTION 17C**

To see if the Town will vote to accept the provisions of MGL Ch. 90 Section 17C in the interests of public safety and without further authority, to allow the Selectboard to establish a speed limit of 25 mph on any roadway inside a thickly settled or business district in the Town of South Hadley on any way that is not a state highway; or take any action relative thereto.

*Article Information: The Traffic Review Committee recommends that the Town adopt M.G.L. Chapter 90, Section 17C on a town-wide basis, lowering the existing statutory speed limit from 30 mph to 25 mph in thickly settled residential and business districts. A "thickly settled or business district" is defined as an area where buildings are spaced, on average, less than 200 feet apart for a distance of at least a quarter-mile, or an area primarily devoted to businesses. Based on this definition, much of South Hadley's residential neighborhoods and commercial corridors would qualify, making them subject to the 25-mph statutory speed limit if adopted. Roads with existing, posted regulatory speed limits are not subject to the reduced speed limit, even if they are in a thickly settled or business district. These streets can be identified by the black and white speed limit signs that indicate a specific, regulated speed. If South Hadley adopts M.G.L. Chapter 90, Section 17C, the Selectboard may vote to apply the statutory 25-mph speed limit to streets without an existing posted speed limit. Implementation costs would primarily involve new signage, placed at the Town's entry points and other strategic locations indicating that the speed limit applies townwide. Public engagement efforts would also be conducted before enforcement begins.*

**MOTION:** I move that the Town accept the provisions of MGL Ch. 90 Section 17C  
**(Majority Vote)**

Recognizing the growing need for affordable housing options within the community, the Town acted to create a dedicated, flexible entity empowered to support the preservation and creation of affordable housing for low- and moderate-income households. This proactive step enabled South Hadley to manage housing funds locally and make timely decisions without requiring additional Town Meeting or Selectboard approvals for each initiative.*

In exercising its powers and duties hereunder, the COMMISSION shall pay due regard to the distinctive characteristics of each BUILDING, STRUCTURE and DISTRICT area.

130-5.2 The COMMISSION may adopt, and from time to time amend, reasonable Rules and Regulations not inconsistent with the provisions of this Bylaw or M.G.L. Chapter 40C, setting forth such forms and procedures as it deems desirable and necessary for the regulation of its affairs and the conduct of its business, including requirements for the contents and form of applications for CERTIFICATES, fees, hearing procedures and other matters. The COMMISSION shall file a copy of any such Rules and Regulations with the office of the Town Clerk.

130-5.3 The COMMISSION, after a public hearing duly posted and advertised at least fourteen (14) days in advance in a conspicuous place in Town Hall and in any local newspaper, may adopt and from time to time or amend guidelines which set forth the designs for certain EXTERIOR ARCHITECTURAL FEATURES which are, in general, suitable for the issuance of a CERTIFICATE. No such design guidelines shall limit the right of an applicant for a CERTIFICATE to present other designs to the COMMISSION for approval.

130-5.4 The COMMISSION shall at the beginning of each fiscal year hold an organizational meeting and elect a Chair and a Vice Chair from its own number and a Secretary from within or without its number, and file notice of such election with the office of the Town Clerk.

130-5.5 The COMMISSION shall keep a permanent record of its resolutions, transactions, decisions and determinations and of the vote of each member participating therein.

130-5.6 The COMMISSION shall undertake educational efforts to explain to the public and property owners the merits and functions of a DISTRICT.

#### 130-6. ALTERATIONS AND CONSTRUCTION PROHIBITED WITHOUT A CERTIFICATE

130-6.1 Except as this Bylaw provides, no BUILDING or STRUCTURE or part thereof within a DISTRICT shall be CONSTRUCTED or ALTERED in any way that affects the EXTERIOR ARCHITECTURAL FEATURES as visible from a public way, unless the COMMISSION shall first have issued a CERTIFICATE with respect to such CONSTRUCTION or ALTERATION.

130-6.2 No building permit for CONSTRUCTION of a BUILDING or STRUCTURE or for ALTERATION of an EXTERIOR ARCHITECTURAL FEATURE within a DISTRICT and no demolition permit for demolition or removal of a BUILDING or STRUCTURE within a DISTRICT shall be issued by the Town or any department thereof until a CERTIFICATE as required under this Bylaw has been issued by the COMMISSION.

#### 130-7. PROCEDURES FOR REVIEW OF APPLICATIONS

130-7.1 Any person who desires to obtain a CERTIFICATE from the COMMISSION shall file with the COMMISSION an application for a CERTIFICATE of Appropriateness, of Non-Applicability or of Hardship, as the case may be. The application shall be accompanied by such plans, elevations, specifications, material and other information, including in the case of demolition or removal a statement of the proposed condition and appearance of the property thereafter, as may be reasonably deemed necessary by the COMMISSION to enable it to make a determination on the application.

130-7.2 The COMMISSION shall determine within fourteen (14) days of the filing of an application for a CERTIFICATE whether said application involves any EXTERIOR ARCHITECTURAL FEATURES which are within the jurisdiction of the COMMISSION.

130-7.3 If the COMMISSION determines that an application for a CERTIFICATE does not involve any EXTERIOR ARCHITECTURAL FEATURES, or involves an EXTERIOR ARCHITECTURAL FEATURE which is not subject to review by the COMMISSION under the provisions of this Bylaw, the COMMISSION shall forthwith issue a CERTIFICATE of Non-Applicability.

130-7.4 If the COMMISSION determines that such application involves any EXTERIOR ARCHITECTURAL FEATURE subject to review under this Bylaw, it shall hold a public hearing on the application, except as may otherwise be provided in this Bylaw. The COMMISSION shall hold such a public hearing within forty-five (45) days from the date of the filing of the application. At least fourteen (14) days before said public hearing, public notice shall be given by posting in a conspicuous place in Town Hall and in a news source of general circulation in South Hadley such as the Town Reminder. Such notice shall identify the time, place and purpose of the public hearing. Concurrently, a copy of said public notice shall be mailed to the applicant, to the owners of all adjoining properties and of other properties deemed by the COMMISSION to be materially affected thereby, all as they appear on the most recent applicable tax list, to the Planning Board, to any person filing a written request for notice of hearings, such request to be renewed yearly in December, and to such other persons as the COMMISSION shall deem entitled to notice.

130-7.4.1 A public hearing on an application for a CERTIFICATE need not be held if such hearing is waived in writing by all persons entitled to notice thereof. In addition, a public hearing on an application for a CERTIFICATE may be waived by the COMMISSION if the COMMISSION determines that the EXTERIOR ARCHITECTURAL FEATURE involved, or its category, is so insubstantial in its effect on the DISTRICT that it may be reviewed by the COMMISSION without a public hearing. If the COMMISSION dispenses with a public hearing on an application for a CERTIFICATE, notice of such application shall be given to the owners of all adjoining property and of other property deemed by the COMMISSION to be materially affected thereby as above provided, and ten (10) days shall elapse after the mailing of such notice before the COMMISSION may act upon such application.

130-7.5 Within sixty (60) days after the filing of an application for a CERTIFICATE, or within such further time as the applicant may allow in writing, the COMMISSION shall issue a CERTIFICATE or a disapproval. In the case of a disapproval of an application for a CERTIFICATE, the COMMISSION shall set forth in its disapproval the reasons for such disapproval. The COMMISSION may include in its disapproval specific recommendations for changes in the applicant's proposal with respect to the appropriateness of design, arrangement, texture, material and similar features which, if made and filed with the COMMISSION in a subsequent application, would make the application acceptable to the COMMISSION.

130-7.6 The concurring vote of a majority of the members shall be required to issue a CERTIFICATE.

130-7.7 In issuing CERTIFICATES, the COMMISSION may, as it deems appropriate, impose certain conditions and limitations, and may require architectural or plan modifications consistent with the intent and purpose of this Bylaw.

130-7.8 If the COMMISSION determines that the CONSTRUCTION or ALTERATION for which an application for a CERTIFICATE of Appropriateness has been filed will be appropriate for or compatible with the preservation or protection of the DISTRICT, the COMMISSION shall issue a CERTIFICATE of Appropriateness.

130-7.9 If the CONSTRUCTION or ALTERATION for which an application for a CERTIFICATE of Appropriateness has been filed shall be determined to be inappropriate and therefore disapproved, or in the event of an application for a CERTIFICATE of Hardship, the COMMISSION shall determine whether, owing to conditions especially affecting the BUILDING or STRUCTURE involved, but not affecting the DISTRICT generally, failure to approve an application will involve a substantial hardship, financial or otherwise, to the applicant and whether such application may be approved without substantial detriment to the public welfare and without substantial derogation from the intent and purposes of this Bylaw. If the COMMISSION determines that owing to such conditions failure to approve an application will involve substantial hardship to the applicant and approval thereof may be made without such substantial detriment or derogation, the COMMISSION shall issue a CERTIFICATE of Hardship.

130-7.10 The COMMISSION shall send a copy of its CERTIFICATES and disapprovals to the applicant and shall file a copy of its CERTIFICATES and disapprovals with the office of the Town Clerk and the Building Commissioner. The date of issuance of a CERTIFICATE or disapproval shall be the date of the filing of a copy of such CERTIFICATE or disapproval with the office of the Town Clerk.

130-7.11 If the COMMISSION should fail to issue a CERTIFICATE or a disapproval within sixty (60) days of the filing of the application for a CERTIFICATE, or within such further time as the applicant may allow in writing, the COMMISSION shall thereupon issue a CERTIFICATE of Hardship Due to Failure to Act.

130-7.12 Each CERTIFICATE issued by the COMMISSION shall be dated and signed by its Chair or such other person designated by the COMMISSION to sign such CERTIFICATES on its behalf.

130-7.13 A PERSON AGGRIEVED by a determination of the COMMISSION may, within twenty (20) days of the issuance of a CERTIFICATE or disapproval, file a written request with the COMMISSION for a review by a person or persons of competence and experience in such matters, acting as arbitrator and designated by the regional planning

agency. The finding of the person or persons making such review shall be filed with the Town Clerk within forty-five (45) days after the request, and shall be binding on the applicant and the COMMISSION, unless a further appeal is sought in the Superior Court as provided in Chapter 40C, Section 12A. The filing of such further appeal shall occur within twenty (20) days after the finding of the arbitrator has been filed with the office of the Town Clerk.

## 130-8. CRITERIA FOR DETERMINATIONS

130-8.1 In deliberating on applications for CERTIFICATES, the COMMISSION shall consider, among other things, the historic and architectural value and significance of the site, BUILDING or STRUCTURE; the general design, proportions, detailing, mass, arrangement, texture, and material of the EXTERIOR ARCHITECTURAL FEATURES involved; and the relation of such EXTERIOR ARCHITECTURAL FEATURES to similar features of BUILDINGS and STRUCTURES in the surrounding area.

130-8.2 In the case of new CONSTRUCTION or additions to existing BUILDINGS or STRUCTURES, the COMMISSION shall consider the appropriateness of the scale, shape and proportions of the BUILDING or STRUCTURE both in relation to the land area upon which the BUILDING or STRUCTURE is situated and in relation to BUILDINGS and STRUCTURES in the vicinity. The COMMISSION may in appropriate cases impose dimensional and setback requirements in addition to those required by applicable statute or bylaw.

130-8.3 When ruling on applications for CERTIFICATES on solar energy systems as defined in Section IA of Chapter 40A, the COMMISSION shall consider the policy of the Commonwealth of Massachusetts to encourage the use of solar energy systems and to protect solar access.

130-8.4 The COMMISSION shall not consider interior arrangements or architectural features not subject to public view from a public way.

## 130-9. EXCLUSIONS

130-9.1 The COMMISSION shall exclude from its purview the following:

130-9.1.1 Temporary BUILDINGS, STRUCTURES or SIGNS subject, however, to conditions pertaining to the duration of existence and use, location, lighting, removal and similar matters as the COMMISSION may reasonably specify. Consideration would be given to educational displays and resources useful for the mission of the Museum and District.

130-9.1.2 Terraces, walks, driveways, sidewalks and similar STRUCTURES, provided that any such STRUCTURE is substantially at grade level.

130-9.1.3 Storm windows and doors, screen windows and doors, and window air conditioners.

130-9.1.4 The color of paint.

130-9.1.5 The color of materials used on roofs.

130-9.1.6 Signs of not more than two (2) square feet in DISPLAY AREA in-connection with use of a residence for a customary home occupation or for professional purposes, provided only one such sign is displayed in connection with each residence and if illuminated is illuminated only indirectly; and one sign in connection with the nonresidential use of each BUILDING or STRUCTURE which is not more than six (6) square feet in DISPLAY AREA, consists of letters painted on wood without symbol or trademark and if illuminated is illuminated indirectly.

130-9.1.7 The reconstruction, substantially similar in exterior design, of a BUILDING, STRUCTURE or EXTERIOR ARCHITECTURAL FEATURE damaged or destroyed by fire, storm or other disaster, provided such reconstruction is begun within one year thereafter and carried forward with due diligence.

130-9.2 Upon request the COMMISSION shall issue a CERTIFICATE of Non-Applicability with respect to CONSTRUCTION or ALTERATION in any category not subject to review by the COMMISSION in accordance with the above provisions.

130-9.3 Nothing in this Bylaw shall be construed to prevent the ordinary maintenance, repair or replacement of any EXTERIOR ARCHITECTURAL FEATURE within a DISTRICT which does not involve a change in design, material or the outward appearance thereof, nor to prevent landscaping with plants, trees or shrubs, nor construed to prevent the meeting of requirements certified by a duly authorized public officer to be necessary for public safety because of an unsafe or dangerous condition, nor construed to prevent any CONSTRUCTION or ALTERATION under a permit duly issued prior to the effective date of this Bylaw.

## 130-10. CATEGORICAL APPROVAL

The COMMISSION may determine from time to time after a public hearing, duly advertised and posted at least fourteen (14) days in advance in a conspicuous place in Town Hall and in a news source of general circulation in South Hadley such as the Town Reminder, that certain categories of EXTERIOR ARCHITECTURAL FEATURES, STRUCTURES or BUILDINGS under certain conditions may be CONSTRUCTED or ALTERED without review by the COMMISSION without causing substantial derogation from the intent and purpose of this Bylaw.

130-11. ENFORCEMENT AND PENALTIES

130-11.1 The COMMISSION shall determine whether a particular activity is in violation of this Bylaw or not, and the COMMISSION shall be charged with the enforcement of this Bylaw.

130-11.2 The COMMISSION, upon a written complaint of any resident of South Hadley, or owner of property within South Hadley, or upon its own initiative, shall institute any appropriate action or proceedings in the name of the Town of South Hadley to prevent, correct, restrain or abate violation of this Bylaw. In the case where the COMMISSION is requested in writing to enforce this Bylaw against any person allegedly in violation of same and the COMMISSION declines to act, the COMMISSION shall notify, in writing, the party requesting such enforcement of any action or refusal to act and the reasons therefore, within twenty one (21) days of receipt of such request.

130-11.3 Whoever violates any of the provisions of this Bylaw shall be punishable by a fine of up to \$200 for each offense, payable to a fund for the preservation of the DISTRICT. Each day during any portion of which such violation continues to exist shall constitute a separate offense.

130-11.4 The COMMISSION may designate the Building Commissioner of the Town of South Hadley to act on its behalf and to enforce this Bylaw under the direction of the COMMISSION.

130-12. VALIDITY AND SEPARABILITY

The provisions of this Bylaw shall be deemed to be separable. If any of its provisions, sections, subsections, sentences or clauses shall be held to be invalid or unconstitutional by any court of competent jurisdiction, the remainder of this Bylaw shall continue to be in full force and effect.
