

Guided Trek on Ledges Golf Club Paths

Sunday, January 19 at 1 PM

The South Hadley Bike-Walk Committee (BWC) invites the public on a guided walking trek to explore the town's golf course grounds. If there's deep snow covering the course and paths, participants are welcome to wear snowshoes and use optional/recommended walking poles.

The **approximately 60-minute trek** will traverse relatively flat paths with a few minor-moderate ascents and descents.

Meet at 12:45 PM in the Ledges parking lot

At Ledges Golf Course, 18 Mulligan Drive, South Hadley

Wear weather-appropriate clothing and safe footwear, and bring water.

Post-trek, please join BWC members in the parking lot for light refreshments and socializing!

Please be aware that the club facilities are closed for the season, including restrooms.

Bad weather/conditions will force a cancellation; check the Town's website at www.southhadley.org for a Community News notification.
